Shoot Management insists on safe gun handling at all times. Shooters who enter the competition agree to abide by the ATA and host club safety rules. Violators subject themselves to disqualification, without recourse, and may be required to leave the grounds.

Shoot Management reserves the right to reject any entry or change the program as conditions warrant. Shoot Management also reserves the right to disqualify, or refuse entry to anyone who interferes with or disturbs the harmony of the shoot in any manner.

Please be courteous to other shooters by refraining from loud or boisterous conduct while behind shooters still competing on the firing line, especially during the handicap events. Your cooperation is appreciated.

## **REGISTRATION**

## **CLASSIFICATION AND HANDICAPPING**

### **Classification Committee**

Andrea Bassan (NL)	Doug Blades (NS)	Terry LeBlanc (NB)

All shooters are requested to have their ATA Average Card up to date before presenting to the Classification Committee for classification. Up to date Average Cards printed from the ATA's Shooter Information Center will be accepted for classification.

### **Penalty Classification**

Shooters with less than 300 ATA registered targets, dating back to the start of the 2019 target year, will be assigned a classification based on their last established ATA average and yardage. New shooters without an established average will be classified based on known ability.

Any Category Shooter tied for event Champion may shoot-off/carry over for the Championship Trophy.
