**WELCOME MESSAGE**

On behalf of the Atlantic Provinces Trapshooting Association and the St. John's Rod and Gun Club, I would like to welcome all shooters and guests to the 2022 Atlantic Provinces Trapshooting Championships.

If you are travelling to our province, I encourage you to make the most of your visit. Filled with historic, cultural and modern attractions, scenic towns and landscapes, the vast outdoors and great local restaurants offering traditional and non-traditional culinary experiences, Newfoundland and Labrador has something to offer everyone.

If you need information on how to get here, what to do and what to see, visit the province's tourism website, [www.newfoundlandlabrador.com](http://www.newfoundlandlabrador.com), for a tourism guide to help plan your visit. If I can be of any assistance, feel free to reach out to me.

Stay safe, good luck and good shooting.

## **GENERAL INFORMATION**

This shoot is sanctioned by the Amateur Trapshooting Association (ATA) and the Atlantic Provinces Trapshooting Association (APTA). ATA rules will govern shooting in all events.

Shoot Management insists on safe gun handling at all times. Shooters who enter the competition agree to abide by ATA and host club safety rules. Violators subject themselves to disqualification, without recourse, and may be required to leave the grounds.

Shoot Management reserves the right to reject any entry or change the program as conditions warrant. Shoot Management also reserves the right to disqualify, or refuse entry to, anyone who interferes with or disturbs the harmony of the shoot in any manner.

Please be courteous to other shooters by refraining from loud or boisterous conduct while behind shooters still competing on the firing line, especially during the handicap events. Your cooperation is appreciated.

## **REGISTRATION AND PRE-SQUADDING**

Check daily schedules for registration times. Pre-squadding will be available through PreSquad.com. Pre-squadding will open July 1st, 2022.

## **CLASSIFICATION AND HANDICAPPING**

### **Classification Committee**

Andrea Bassan (NL)	Doug Blades (NS)	Jamie LeBlanc (NB)
Troy Coldwell (NL)	Janaya Nickerson (NS)	

Classification will be determined by current ATA target year average and known ability. Known ability will consider official shooting averages, non-registered scores and any other information determining a shooter's ability.

The Classification Committee reserves the right to review all scores in the Preliminary Day Events for classification purposes. Shooters under review may be moved to a higher class at the discretion of Classification Committee.

### **Penalty Classification**

Shooters with less than 300 ATA registered targets per event in the current plus previous target year will be assigned a classification based on known ability and their last established ATA average and yardage. Shooters without a previously established ATA average will be classified based on known ability. Any shooter not meeting the minimum target requirements may be assigned a penalty classification.

Shooters are asked to have their up to date ATA Average Card and any other target

information ready for presentation to the Classification Committee. Average Cards printed from the ATA's Shooter Information Center will be accepted.

**Tournament Classification**

<u>Singles Classification</u>	<u>Doubles Classification</u>
96% and over..... AA	93% and over..... AA
94% and under 96%..... A	89% and under 93%..... A
91% and under 94%..... B	85% and under 89%..... B
88% and under 91%..... C	78% and under 85%..... C
Under 88%..... D	Under 78%..... D

**ATA CATEGORY DECLARATION**

Sub-Junior, Junior, Junior Gold, Lady I, Lady II, Sub-Veteran, Veteran and Senior Veteran shooters must declare their special category at the time of classification in order to be eligible for special category trophies. It is the responsibility of ATA Category shooters to ensure that their category has been properly noted on their entry form prior to cashiering for the first event entered.

Category shooters tied for event Champion may shoot-off for the Championship trophy. If the Category shooter fails in the Championship trophy shoot-off, they will fall back to their declared Category. A Category shooter whose score qualifies for a trophy in their declared Category, may not fall back to place or class. Where there is no Category trophy offered, the Category shooter is eligible to shoot for Class or Place trophies. Any Category shooter whose score does not qualify for a trophy in their declared Category may compete for Class or Place trophies.

**TIES AND SHOOT-OFFS**

Ties in all Singles and Doubles Preliminary Day Events will be determined by a carry over to the next event. Ties in any preliminary Handicap event will be determined before the start of the next Handicap event.

Ties in the Championship Events will be resolved by a shoot-off and held at the discretion of the shoot committee and as time permits. Shooters not answering the shoot-off call will forfeit.

**SHOOTER'S RESPONSIBILITY**

Shooters are responsible for checking their posted scores and to make sure their money options are indicated properly.

Due to the large number of shooters expected, shooters are requested to be at the shooting line promptly and prepared to shoot when their squad is called in order to complete all events in a timely manner.

Shoot Management also asks that squads move through events without any unnecessary delays or breaks. Your cooperation is appreciated.

## **TARGET SETTING / TARGETS**

The Target Setting Committee will set targets each morning and for event changes. Targets will be set in accordance with ATA rules and shall only be reset if they vary from ATA standards. The final decision on whether or not a trap is to be reset shall be made by a member of the Target Setting Committee. White Flyer targets will be used for this tournament.

## **TARGET PRICING**

Target prices are subject to change without notice in the event of an increase in the price of targets to the club.

## **AMMUNITION**

Ammunition for the shoot will be available through The Gun Dealer. See ordering instructions in this booklet and on [www.shootatlantic.com](http://www.shootatlantic.com). All orders must be placed by July 31, 2022.

## **TROPHIES**

Only shooters that reside in the Atlantic Provinces are eligible for the Closed (Resident) trophies. All shooters (regardless of residency) are eligible for the Open trophies. Please note that all Closed (Resident) trophies are awarded above Open trophies for Atlantic Province shooters.

# THERE'S NOTHING **SPORTING** ABOUT IT, SHOOT **TO WIN!**

Five hundred years of craftsmanship and tradition go into every shotgun Beretta builds. Nowhere is this more evident than in their celebrated over-and-unders, shotguns many consider the strongest and most reliable in the world. A Beretta over-and-under can rightly be considered an heirloom and inspires a fierce and loyal following.
